

Project - Debug the Note Taking Application

- Error: method not allowed::: so I set the methods 'GET' and 'POST' in line no 6 of app.py
- Bugs: blank is also added::: so I set a condition(**if** request.method == '**POST**' **and** request.form['**note**']!=' ') in line no 8 of app.py
- Bugs: In HTML page method is not declared ::: so I declare (method='post') in line no 10.
